2. **Enhanced:** £5 per year, more details about the business, some sales/advertising "blurb", a small picture, email/web contact details, highlighted entry plus you go to the top of the list. We recommend you make your picture size match those in existing examples. They can be a photo or logo/avatar. They are small- 140 dpi across, but do make the entry look more appealing.

We are no longer offering the 'enhanced plus option'. ~
