Reaching over 2000 households in the Parish of Broadway

Issue 40 January/February 2013

SUPPORT BROADWAY CAMPAIGN

Residents have given their unambiguous backing for the Support Broadway Campaign. In a packed Lifford Hall, villages voted unanimously to fight any unnecessary development not in the interest of the community, and any development that will damage the unique character of the village.

In a detailed facts-based presentation, the Save Broadway Group explained the full implications of top down allocations that could impose 631 new properties on the village, and result in damage to infrastructure, jobs, and tourism. Proposed plans, which will mean 36% more properties, reflect a flawed decision making, missed opportunities to develop a Neighbourhood Plan, a blatant disregard for the Localism Act giving local communities a bottom-up say in their locality, and an increase well above the national average.

EVERY RESIDENT CAN HELP

The Save Broadway Group also clarified the actions that must be taken immediately to ensure authorities understand the level of objection to proposals to develop the village. Residents are urged to go on line to <http://epetitions.direct.gov.uk/petitions/41653>

- Add their signature to the on-line petition
- Tell all their friends and relations world-wide to sign the on-line petition
- Each individual member of the household to write to Wychavon Council objecting to development proposals
- Lobby local MPs, councillors parish, district and county
- Write to influential organisations such as the Campaign for the Protection of Rural England (CPRE), Nationa Trust, AONB, Destination Worcester,

At the same time the Broadway team is forming alliances with other action groups, staging meetings with Peter Luff

the local MP, petitioning Wychavon Council, attending regional consultation meetings, planning media coverage, attending developer presentation events and holding wide-ranging action meeting with influential organisations. Demonstrations of local support and overall soundness of the Save Broadway Campaign are critical to success. It is important that all residents appreciate what could happen if developers get their way and are allowed to build what they want not what the community needs.

What development could mean

- Rural sprawl
- No regards for local housing needs
- Local housing does not mean for local people
- Open door to developers
- Threat to tourist economy
- Impact upon local employment
- Imposed building numbers above the national average
- Strain on local infrastructure
- Green field development
- Building on a flood area
- Building in an Area of Outstanding Natural Beauty

As a Category 1 village, it could mean more supermarkets and a threat to Broadway High Street traders.

Important and events dates for your diary

January 11th to February 22nd - Consultation Period
April 1st week - Proposal submission.

WE NEED 100,000 SIGNTURES TO GET THE MATTER TO WESTMINSTER. WE NEED YOUR HELP

A Message from the Chair of Save Broadway, Gordon Franks.

“In three months we tried to bring the village together, sort out the confusion and present a rational case for Broadway. We are not against development in the village. We know things change and we must move with the time. We are against a top-down allocation that ignores the needs of the community, Cont. Page 2

The service is intended to be relaxing and enjoyable, enabling your dog to look at its very best.

Location: Collin Lane, Broadway, WR12 7PB

- * We offer anything from just a bath to a full groom and style starting from £25.00
 - * Hand stripping from just £40.00
 - * Pick up and drop of available at a small cost
 - * Weekend and Evenings available
- Please call Lucie on 07807666859

Please book early to avoid disappointment*NEWSFLASH* We will soon be coming into the Shooting / hunting season please contact me for details on clipping your working dog ready for the season. Or maybe they will require a bath after a hard day at work.

**BROADWAY REMEMBERS:
THE MEN WHO FOUGHT IN THE GREAT WAR
AND ARE REMEMBERED ON BROADWAY'S
WAR MEMORIAL**

As part of the planned 2014 events commemorating the start of the First World War, Mary Smith, Penny Valender and I have started researching the names of those that gave their lives in the First World War that are listed on Broadway's War Memorial, so as to create a record for the village in the form of a Book of Commemoration. The Memorial was designed by Frederick Griggs of Chipping Campden and unveiled by the Bishop of Worcester on 16th December 1920.

Our aim is to publish a book containing short biographies about each of the men, who they were, where they served (several were with the Worcestershire and Royal Warwickshire Regiments), their ages and so on. The families of many of those listed still live in and around the village and we hope to make contact with the families to find out more about their ancestors.

In addition, the Committee of the Broadway Arts Festival have asked us to mount an exhibition of photos, stories and memorabilia during the 2014 Festival. Our hope is that the exhibition will then run until the National Commemoration Day on 4th August 2014.

Can you help us with our research? Do you have any connection or information about anybody listed on Broadway's Memorial? Do you have any memorabilia or stories to share?

Through researching my own and others' family histories I have been involved in a number of genealogical projects over the years. Investigating my own family history I discovered that members of my family had served in the First World War and my research into the roles they played has been most interesting and educational and has brought to life a tumultuous period in our country's history.

I have recently started researching Hubert Game (1891-1917) whose family moved away from Broadway at the end of war. Hubert lived with his parents, brothers and sisters at Barn House in the Upper High Street. He served with the Royal Artillery and then 53 Training Squadron, RFC, before losing his life in June 1916 in an accident whilst on exercise over Narborough, Norfolk. RAF Narborough opened as a military aerodrome in May 1915 and was responsible for training air and ground crews and preparing squadrons for active duty in the skies over France. The base also provided squadrons for home defence, defending against Zeppelin raids.

Broadway also played a part in the war's history with a Red Cross Hospital at Farncombe House, a Rifle Club and an active Civilian Drill Club (set up in 1915 and run by R.S. Peirse-Duncombe).

Penny, Mary and I would love to hear from you if you can help us with our research into any of the following 47 names on Broadway's memorial:

BARNETT, Private George,
1st Battalion Worcestershire Regiment
BAYLISS, Private John T,
Worcestershire Regiment & Labour Corps
BILLEY, Private William Robert,
2nd Battalion Worcestershire Regiment
BISHOP, Private William,
10th Battalion Worcestershire Regiment

By Debbie Williamson

Support Broadway Campaign From Page 1

imposes unwanted development and opens the doors to developers that care about their bottom line not the village. The support shown by villagers has been great and reflecting real concerns. These concerns are not about NIMBYISM; they are about conserving the essential character of one of the most beautiful villages in the Country for future generations.

We ask that our community has a say in what is being imposed upon us. We ask that Government, Inspectorates, local planners and elected local officials understand that communities have a right to have a say in what goes on in their community – that is what the Localism Act is about. Rest assured we will keep the village informed of progress. We thank you for all your support so far and with your backing we are determined to fight on.”

Broadway Community Award

The Parish Council has unanimously agreed to nominate the winner of this year's Broadway Community Award, Mrs Joan Parfitt.

Joan is Broadway's Wychavon parish games organizer, and has carried out this task for the past 11 years. She tirelessly works to ensure the village is represented in as many events as possible, even taking part in some herself, which has resulted in Broadway winning the order of merit trophy in 2010 and 2011. This trophy is presented to the parish which has entered all or most of the events but has not won any individual trophies which is a testament to all of Joan's efforts.

When Joan took on the role of parish organizer 11 years ago Broadway finished at the bottom of the table but it now features consistently in the top 10 parishes. It is considered, therefore, that Mrs. Parfitt has given, and continues to give, a considerable service to the community, and would be a worthy winner of the 2012 Wychavon Bursary.

ROAD SAFETY

The time of year is here when winter conditions prevail and we should all have made checks to ensure both our vehicles and ourselves are well prepared.

The early morning frosts will cause problems with motor vehicles left outside overnight. However, this should not prevent people from preparing their vehicles correctly prior to driving away. Remember, it's better to be five minutes late in this world than five minutes too early in the next. Time and time again I see drivers who have just about created peep holes in the frosted screen, side windows dropped, struggling to see. This, coupled with low dazzling sunshine in the winter months, could prove to be dangerous to drivers not carrying out their pre-drive responsibilities. Snow is either with us or will arrive soon with the obvious problems that this causes.

We have all seen vehicles with layers of snow on the roof just waiting to slip off and cover some poor following driver's screen. Get a soft broom and remove this potential danger before it freezes.

The dangers are far too obvious; we should all take our driving responsibilities more seriously, having regard to the ramifications that the law can bestow should we be involved in a serious road accident.

People become very complacent in their lovely warm vehicles with distractions such as using mobile phones, playing loud music, loading music, text messaging and even eating whilst driving - all potential dangers.

The law states that we should be in a position to have proper control of our vehicle at all times. If we cannot see or hear out of the vehicle then we cannot be in proper control.

Here are a few more things I regularly observe in and around Broadway.

Seat belts not being worn or motorists putting them on whilst accelerating, parking on footpaths and vehicles parked at or near road junctions at night without lights. The law states that parking without lights at night must be within a 30mph limit or less, parked facing in the correct direction, parallel to the kerb, not at or within 10 metres of a road junction including opposite the junction.

Driving a motor vehicle safely is probably one of the greatest skills we can possess and we should all strive to make our roads a safer place and improve our driving skills. Remember that courtesy is a great factor in road safety and that any fool can drive fast enough to be dangerous.

Parking on the road opposite other people's drives is thoughtless as it makes manoeuvrability difficult. Parking on bends and corners should also be avoided. I would also like to draw parents' attention to the dangerous actions of some children who ride bicycles on the footpaths and ride recklessly on the roads of Broadway, especially the estate roads. Elderly people are quite rightly concerned by this bad behaviour on the pavements; this is dangerous and should not be happening.

The Highway Code is an important publication to read, it is updated regularly and all road users should be au fait with its contents.

John Hackett, the author of this article, is a retired Police Inspector and spent many years with The Traffic Dept., Police Driving School and Road Safety Unit. Following retirement he spent a few years in industry prior to joining The Driving Standards Agency as an Examiner of car, motorcycle, LGV and PCV drivers and riders.

ST MARY'S OFSTED REPORT

PROUD pupils and staff at St. Mary's Catholic Primary School Broadway are celebrating after receiving an outstanding Ofsted report from inspectors.

The school is delighted to have been recognised as an 'OUTSTANDING' school following the inspection in December.

Many areas of the school's work were praised with inspectors saying: "The quality of teaching is consistently good with much that is outstanding. Teachers expect pupils to do well, whatever their starting points. The Headteacher sets very high standards of staff and is passionate about ensuring that all pupils do as well as they can.

The report went on to say that behaviour was excellent. Behaviour in lessons and around the school is outstanding. Pupils are very proud of their school, exceptionally well mannered and invariably polite.

Headteacher Jacqui Le Maitre said, "I am really proud of the staff, pupils and governors at St Mary's Primary School Broadway. I have the pleasure of working with an extremely committed and dedicated staff and I am thrilled that their good practice and teamwork, which has ensured that pupils make good progress in a happy and secure learning environment, has been recognised. I am very lucky to have the best job in the world."

"The pupils' attitudes to learning and their behaviour are exemplary and they are a credit to themselves, their school and their families. Now that the school has been recognised as OUTSTANDING we will continue on our mission to aim high and reach for the stars."

Visits to the school are warmly welcomed please phone the school office on 01386 853337

Closing date for Reception intake 2013/14 is: 15th January 2013.

LOOKING FOR AN ALTERNATIVE NEW YEAR'S RESOLUTION?

Bored with the same New Year's detox diets or resolutions that never make it past January?

This year, make a New Year's resolution that will last by taking part in Marie Curie Cancer Care's Great Daffodil Appeal 2013, and make a difference in your local community.

This February and March the charity will be holding their annual daffodil collections all over Worcestershire, encouraging local people to make a donation for a daffodil pin as a sign of their support. The funds raised are crucial to ensure our Marie Curie Nurses are able to continue their work in local communities caring for terminally ill patients and their families in their own homes.

We need your help to make the 2013 Great Daffodil Appeal bigger and better!

If you can spare an hour or two at a collection local to you or if you want to find out where your local collection is, please get in touch with the Worcestershire fundraising office on 0117 942 7132 or email richard.scott@mariecurie.org.uk

BROADWAY HIGH STREET CULVERT UPDATE

Cllr. Liz Eyre writes: ' Our County Council drainage officer has advised me that thanks to the opportunity of the use of a smaller camera he has been able to work ahead of his schedule to continue surveying the culvert without recourse to access to any landowner site. The work was carried out around end Sept /October. The camera was floated down from the highway. It reached the Brook. This does imply the culvert is fit for purpose. The information obtained or options considered now need to be evaluated by the CC and Wychavon District Council's land drainage officer. In addition further camera work is to be carried out. Any decisions options will be communicated at the appropriate time. Any option which involves digging on others land is not currently favoured. However it is stressed the professional evaluation work and any costings need time to tease out. I shall, of course, keep residents in the loop as I am informed. I ask residents to keep me in the loop if they have additional information.'
